

## Title

Gallena University is the organization that keep the educational process working. With 1,050 courses to choose from, Gallena University has a course of study that fits your interests and will help you reach your goals.

The Office of Education is committed to student success and the creation of a supportive educational environment at GU. The office oversees the development of programs designed to support student learning, research, and experiential opportunities. Visit our offices to learn about the support programs that can help you be more competitive in the job market and in the pursuit of graduate and professional education.

## Undergraduate

With 1,050 courses to choose from, Gallena University has a course of study that fits your interests and will help you reach your goals. With twenty five majors, Gallena University offers students the opportunity to collaborate with the world's best and brightest faculty in multiple disciplines, all in an intimate, small-town campus setting.

## Graduate

Gallena University offers seven graduate programs. Each program provides students with the essential tools, resources, and knowledge necessary to excel in their respective field. In addition, our newly built state-of-the-art research facility provides graduates with a world-class knowledge base for projects and thesis papers.

## Registrar's Office

The Registrar's Office helps students achieve the required elements of their program with a transparent look at GU requirements and department courses. View academic calendars, course catalogs, policies, and procedures. Students can find information about adding and dropping courses, transferring units, graduation requirements, transcripts, and more.
