

Title

Gallena University is the organization that keep the educational process working. With 1,050 courses to choose from, Gallena University has a course of study that fits your interests and will help you reach your goals.

The Office of Education is committed to student success and the creation of a supportive educational environment at GU. The office oversees the development of programs designed to support student learning, research, and experiential opportunities. Visit our offices to learn about the support programs that can help you be more competitive in the job market and in the pursuit of graduate and professional education.

World-Class Faculty

Our faculty comes from all over the globe to share their experiences and knowledge with our future leaders. Each faculty member strives to help their students develop their talents for future success. In addition, the research conducted by faculty have won prestigious awards in their respected fields of study.

Individual Attention

Every class offered at GU averages a 20:1 student-to-faculty ratio, providing the quality attention necessary for every student's success. In addition, many faculty members participate in our tutoring program "After Hours", giving students the extra help they need late into the night.

Unlimited Resources

The GU Library boasts over 1.6 million books, articles, maps, and media covering all disciplines of study. In addition, the online catalog provides a plethora of documents that are easily accessible anywhere in the world. Private and public tours of this architectural landmark are available on a daily basis.
