

Title

Gallena University is the organization that keep the educational process working. With 1,050 courses to choose from, Gallena University has a course of study that fits your interests and will help you reach your goals.

The Office of Education is committed to student success and the creation of a supportive educational environment at GU. The office oversees the development of programs designed to support student learning, research, and experiential opportunities. Visit our offices to learn about the support programs that can help you be more competitive in the job market and in the pursuit of graduate and professional education.

Internationally Recognized

Internationally recognized in both Performing Arts, as well as it's top-ranked College of Computer Science & Engineering, GU offers students the opportunity to collaborate with the world's best and brightest faculty in multiple disciplines, all in an intimate, small-town campus setting. Discover how GU provides a well-rounded education for future success.

President's Welcome

As a citizen of Gallena for over 30 years, Jim Godding is dedicated to the success of every student. As President of Gallena University, his energy and passion for quality research facilities, world-renown faculty, and high-tech classroom resources is reflected in the all aspects of Gallena University.

Environmentally Friendly

The first of it's kind, the new \$20 million performing arts center has state of the art green energy systems that allow the building to monitor it's energy usage. Using less than one fifth the power of other similar centers, the new Williams Center for the Performing Arts is expected to save the University \$250,000 annually over traditional centers of it's kind.
