

## Title

## Life at Gallena

Nestled at the base of the Sierra Nevada Range, Gallena University combines quality of life with academic excellence to create a unique educational experience. Consistently ranked one of the top 75 private colleges in the nation by U.S. News & World Report, Gallena University attracts students seeking a broad range of learning choices, unlimited opportunity after graduation and an involved, supportive academic environment.

Internationally recognized in both Performing Arts, as well as its top ranked College of Computer Science & Engineering, Gallena University offers students the opportunity to collaborate with the world's best and brightest faculty in multiple disciplines, all in an intimate, small-town campus setting.

Roughly 4,500 students call GU home each year. The surrounding community of Gallena offers a wide range of housing and employment opportunities, exceptional outdoor activities, diverse travel options, shops, restaurants, live music and theatrical performances.
